Giving Hope to Orphans in Africa

Help for African children orphaned by the HIV/AIDS pandemic and genocide through medical care, food relief, education, and clothing.

Ongoing love and support through ZOE Ministry programs and partnerships that bring orphans in Zimbabwe, Zambia, Kenya, and Rwanda back into their communities.

Prayer, emotional healing, and the good news of Christ's love extended through faith communities in Africa and the United States.

Empowerment for children living in desperate poverty through ZOE's Giving Hope Project providing mentoring, vocational training, income-generating activities, training in animal husbandry and farming, and HIV/AIDS education.

A gift has been made to ZOE Ministry in your honor to let you know I am thinking of you. As this gift brings hope to children in need, I trust it will bring hope to you as well.
