Giving Hope to Orphans in Africa

*“For I know the plans I have for you, declares the Lord; plans to prosper you and not to harm you; plans to give you hope and a future.”
Jeremiah 29:11*

Gladwell and his brother Majority were living alone when ZOE Ministry met them.

Gladwell shared, “My dream is to get enough food to eat so that I can concentrate on my studies and one day drive a truck.”

With few resources to share, an uncle and aunt took the boys into their home in a poverty stricken slum area in Zimbabwe.

Their struggles continue as Zimbabwe continues to struggle. Please pray for them.

Please pray for Purity, who in 2003 at the age of 14, assumed responsibility for her younger brothers and sisters. ZOE provided her with a sewing machine, cloth, and other materials to begin a tailoring business. Soon Purity will be paid to train other orphans. Today her family has food to eat, her siblings attend school, and most of their household needs are being met. Purity’s goal is to have the best tailoring shop in town.

Pray for Anna and her three siblings who live with their aunt in Lusaka, Zambia in the Misisi slum. When ZOE met her in 2006, they only ate one meal a day, and sometimes they eat nothing at all. When ZOE team members first visited Lusaka, hunger was the common theme they heard. Today, 350 orphans living in the slum are cared for by ZOE Ministry.

Meals are provided twice a day,
Monday through Friday.

The HIV/AIDS pandemic leaves new orphans on their own every 14 seconds. Each child has a name and a story. We cannot change the world for every child, but we can make a difference in the lives of many children.

Pray that God will use ZOE Ministry to expand and help as many children as possible.

Children without food are vulnerable to malnutrition and exploitation. Orphaned girls often believe that the only way to feed their siblings is by selling their bodies for food. Boys who are hungry often end up on the streets, eating from garbage, and turning to drugs and alcohol for comfort. Pray that through ZOE children will have proper nutrition and food security.

Imagine if you had to beg for a new place to sleep each night. Imagine if the only space you could find to live was under a bush among animals. This is the reality from which ZOE has rescued many children.

Pray that ZOE may continue to provide homes to children in need.

Orphaned at 15, Donata was left to raise four siblings. She says, “I was hopeless. When I met the Giving Hope staff, I felt love and began to smile. It changed my mind and I started believing God was bringing me good things. I thought nobody could love me, and that others were bad. Giving Hope opened eyes – I could see people giving love. Now, I am committed to giving love, especially to orphans.” Pray for Donata and her family.

Governor Ndayisaba, of the Southern Province of Rwanda, invited ZOE Ministry to expand throughout his district. There are an estimated 13,000 additional child-led families of orphans in the Governor’s province. ZOE Ministry could train staff and be ready to begin offering help and empowerment to these additional children in only six months. Pray that God will raise up the funding to help these children in need.

ZOE is able to provide food and medicine in the Misisi slum of Zambia. The children at this site offer gifts as well. They eagerly join in playing games and singing songs, until language barriers fall away, leaving only the sense that we are all part of God’s big family. Pray for the children in the Misisi slum area.

The people of Zimbabwe are experiencing political turmoil, violence, and runaway inflation. Hunger and sickness continue to spread. Due to these great struggles, there is very little teaching happening in schools. ZOE food relief programs are providing nourishment for hungry children as they come to school for a daily meal. Please pray for Zimbabwe.

A ZOE medical team met 9-year old Chipo after three friends took turns carrying her on their backs so that she could receive medical treatment for HIV/AIDS-related illnesses. After receiving food, vitamins, and other medications on three occasions, Chipo was able to stand and walk on her own. ZOE recently learned that Chipo died. Please continue to pray for her friends in Zimbabwe who suffer under difficult circumstances.
