

Christmas Animals

This Christmas, give the gift of a *new beginning.*

In Africa, a cow, goat, or even some rabbits can be the first step toward transforming the life of an orphan. The ZOE Orphan Empowerment Project equips these children with essential life skills such as farming, animal husbandry and small business training while sharing the good news of Christ's love. An animal provides income, fertilizer for fields, and nourishment as orphans journey through ZOE's Empowerment Program.

Thanks to your gift within two to three years, ZOE empowers orphans to escape the cycle of poverty and start living lives of dignity and hope.

Honor your family, friends and colleagues this Christmas with a gift in their name that transforms an orphan's life.
