Giving Hope to Orphans in Africa

In many African countries, orphaned children are raising their brothers and sisters due to the HIV/AIDS pandemic.

ZOE Ministry is responding by sharing the Love of Christ and giving hope to vulnerable children in Zimbabwe, Zambia, Kenya, and Rwanda through:

Giving Hope Empowerment Project

Training in farming, animal husbandry, vocational skills, income-generating activities, HIV/AIDS education, health and hygiene. The training frees orphans from poverty and dependency within 2-3 years in the program.

Relief Ministry

Including food, school fees, clothing, clean water, and medical care.

ZOE Christmas Animals can be the first step

toward transforming the lives of orphans. Animals provide manure for fields, nourishment, and income as they reproduce. Honor your friends and family with a gift that transforms lives this Christmas.

ZOE Ministry is Project #982023 of the Advance for Christ coordinated by the General Board of Global Ministries of The United Methodist Church. The Advance is an accountable, designated-giving arm of The United Methodist Church. ZOE Ministry is also designated as Advance Special #S00148 of the North Carolina Conference of the UMC.

See Hope. Give Hope.
